

Medical Associates, S.C. / Dean-St. Marys Regional Clinics  
Baraboo, Wisconsin

*“Working with FCM Corporation was a smooth process. As a design/builder, their medical office expertise allowed for efficient planning and design.”*

Steve Olson  
Executive V.P.  
Dean/St. Marys  
Regional Clinics

In Baraboo, Wisconsin, FCM Corporation was selected to design and construct this 40,000 primary care clinic. This clinic was developed in conjunction with the acquisition of Medical Associates, S.C. by Dean-St. Marys Regional Clinics.

FCM was responsible for:

- Determining the optimal site layout.
- Programming with physicians, staff and hospital and clinic administration.
- Working plans and specifications.
- General construction.
- Local approvals.
- Guaranteed maximum price.
