

**Prairie Clinic S.C.**  
Owner: Prairie Clinic S.C.  
Sauk City, Wisconsin

FCM Corporation was chosen by the Prairie Clinic to design and construct a new 28,000 square foot clinic facility to be located in Sauk City, Wisconsin.

The primary care clinic has been designed to fit into the “Prairie Style” design aesthetic predominant in the region, and boasts thirty-six exam rooms, plus procedure and consult rooms, x-ray lab, and dietary services.

FCM Corporation provided our full range of professional services including:

- Space needs analysis and programming.
- Design Development.
- State and local approvals.
- Interiors and site design.
- Architectural and engineering construction documents.
- Construction management.

Prairie Clinic was completed in the spring of 2003 and is providing health care services to the Sauk Prairie Community.
